FINAL APPROVAL

Dear Mr. Paris:

Enclosed is your industrial wastewater sewer discharge permit BWP IW38 issued pursuant to the Massachusetts Clean Water Act (the "State Act"), M.G.L., Ch. 21, Section 26-53, as amended, and the promulgated regulations 314 CMR 7.00, 314 CMR 2.00, and 310 CMR 4.00 thereunder.

This permit is an action of the Department of Environmental Protection and is effective as of **July 10, 2008**.

Please carefully review the enclosed permit, including all terms and conditions stated therein. If you are aggrieved by this action, you may request an adjudicatory hearing. A request for a hearing must be made in writing and postmarked within thirty (30) days of the date this permit was issued.

Under 310 CMR 1.01(6)(b), the request for a hearing must state clearly and concisely the facts that are the grounds for the request, and the relief sought. Additionally, the request must state why the permit is not consistent with applicable laws and regulations.

The hearing request, along with a valid check payable to the Commonwealth of Massachusetts, in the amount of \$100.00 must be mailed to:

Commonwealth of Massachusetts
Department of Environmental Protection
P.O. Box 4062
Boston, MA 02211

The request for a hearing will be dismissed if the filing fee is not paid, unless the appellant is exempt or granted a waiver as described below.

The Department may waive the adjudicatory hearing filing fee for a person who shows that paying the fee will create an undue financial hardship. A person seeking a waiver must file, together with the hearing request as provided above, an affidavit setting forth the facts believed to support the claim of undue financial hardship.

Please include the permit number W221167 on any further correspondence regarding your application.

Should you have any questions concerning this matter, please do not hesitate to contact Daniel Balboni at 413-755-2126.

Sincerely,
